**NOTES**

1. General Education Core Requirements, see Graduation Requirements section of this catalog.
2. These courses are used to determine major GPA, see Graduation Requirements.
3. Courses required for admission to the BSN program. Students must meet admission requirements and be officially admitted into the BSN Program. Please contact the College of Health, Education and Human Sciences advising coordinator at (479) 788-7856 for admission requirements and the application process for the College of Health, Education and Human Sciences.
4. Science courses taken more than five years prior to program application must be evaluated and may not be eligible. See advisor for more information and to request a science course evaluation.

**A grade of C or better is required in all courses applicable to this program.**

**Student Degree Program Requirements**

A student’s degree program requirements are those specified in the catalog in effect at the time of declaration of program major. Students must meet the above program requirements and the graduation requirements as indicated by institutional and college policy. The program can be changed only with the approval of the official advisor. If original courses are eliminated, students may be required to meet new curriculum requirements in the degree program. If students are not enrolled for two or more consecutive terms (excluding summer terms), they must re-enter under the program requirements of the current catalog. Students are responsible for understanding program requirements and changes. This document is not official until signed and dated by both the student and an authorized university representative.
