NOTES									
1: These courses are used to determine major courses in residency, see Graduation requirements section of this catalog.									
2: LPN students who are admitted to the ADN program will take ADN 154A Nursing Technology Transition instead of ADN 1508 and ADN 151A, with eight hours awarded for ADN 1508 after completion of ADN 154A. Paramedic students who are admitted to the ADN program will take ADN 155A Nursing Technology Bridge instead of ADN 1508 and ADN 151A, with eight hours awarded for NURS 1508 after completion of ADN 155A. LPN and paramedic students must complete the following courses before enrollment in ADN 154A or ADN 155A: MATH 1403 or higher MATH course, BIOL 1523/1521, BIOL 1533/1531, CHEM 1303 or higher chemistry course, BIOL 1463/1461 or higher microbiology/lab course. LPN and paramedic students should consult with the College of Health Sciences coordinator of academic support services at (479) 788-7841 for information related to the transition course for the associate degree nursing program. LPN students must be admitted to the associate degree nursing program and successfully complete ADN 154A Nursing Technology Transition prior to enrolling in ADN 2719. Paramedic students must be admitted into the associate degree nursing program and successfully complete ADN 155A nursing Technology Bridge prior to enrolling in ADN 2719.									
A grade of "C" or better is required in all courses in order to progress within the program.									

Transfer Course Information

The Arkansas Course Transfer System (ACTS) contains information about the transferability of courses within Arkansas public colleges and universities. Students are guaranteed the transfer of applicable credits and the equitable treatment of the application of credits for the admissions and degree requirements. Courses transferability is not guaranteed for courses listed in ACTS as "No Comparable Courses." ACTS-Arkansas Course Transfer System <http://acts.adhe.edu> -select Course Transfer. Students may also view the UA Fort Smith Transfer Credit Guide at www.uafortsmith.edu/Transfer/TransferCreditGuide.

See Acceptance of Transfer Credits section of the 2011-2012 academic catalog for a complete list of transfer provisions.

Student Degree Program Requirements

A student's degree program requirements are those specified in the catalog in effect at the time of declaration of program major. Students must meet the above program requirements and the graduation requirements as indicated by institutional and college policy. The program can be changed only with the approval of the official advisor.

If original courses are eliminated, students may be required to meet new curriculum requirements in the degree program. If students are not enrolled for two or more consecutive terms (excluding summer terms), they must re-enter under the program requirements of the current catalog. Students are responsible for understanding program requirements and changes.

This document is not official until signed and dated by both the student and an authorized university representative.
