1. General Education Core Requirements, see below on last page. Follow requirements with these stipulations: mathematics –MATH 2403 or higher MATH is required, STAT 2503 must also be completed; social sciences - select two courses from two different areas, excluding ECON 2803 and 2813.
2. These courses are used to determine major courses in residency, see Graduation Requirements. A cumulative GPA of 2.00 is required in these courses to meet graduation requirements for the College of Business.
3. Electives, nine hours: Select courses that will satisfy degree requirements for a baccalaureate program. MATH 1403 is eligible to be used as a general elective if needed as a prerequisite for MATH 2403. MGMT 1201 is required for first-time, full-time freshmen. Consult with advisor for other electives.
4. Lower-level Business Core, 24 hours (includes ECON courses). Review College of Business admission requirements for standards of performance.
5. Major requirements, 12 hours. Select six hours of upper-level FIN electives and six other College of Business upper-level hours from outside FIN. Electives in ACCT are strongly recommended.
6. Required business computing competency may be fulfilled by successful completion of MGMT 2103 or ITA 1003 or approved substitution.
7. Prior to graduation students must demonstrate competency in financial literacy by satisfactory completion of FIN 1521 (or approved substitution) with a grade of C or better, or score 70% or more on a challenge exam for FIN 1521.

**Student Degree Program Requirements**

A student's degree program requirements are those specified in the catalog in effect at the time of declaration of program major. If not on the Guaranteed 8-semester degree plan, students may choose to meet the program requirements specified in the catalog for a later year from when they began their program of study. Students must meet the above program requirements and the graduation requirements as indicated by institutional and college policy. The program can be changed only with the approval of the official advisor.

If original courses are eliminated, students may be required to meet new curriculum requirements in the degree program. If students are not enrolled for two or more consecutive terms (excluding summer terms), they must re-enter under the program requirements of the current catalog. Students are responsible for understanding program requirements and changes. Guaranteed 8-Semester Degree Completion Program Pursuant to Act 1014 of 2005, qualified first-time freshmen with a declared major may elect to participate in the guaranteed 8-semester degree completion program. Students must follow the above degree plan and meet all requirements as outlined in the Guaranteed 8-semester Degree Completion Program contract. The contract and this degree plan must be signed and filed with the advisor before the first day of classes for the student's first term of attendance. The official copy of the contract and degree plan are filed in the Records Office.

Approved by Dr. Georgia Hale, March 1, 2019-Catalog Year 2019-2020. This document is not official until signed and dated by both the student and an authorized university representative.
